2026 American Red Cross Lifeguard Course Guidelines

Chicagoland Pool Management offers courses throughout the year for certification in Lifeguarding. In these courses, you will learn about the duties and responsibilities of a lifeguard and how to carry them out in a professional manner. We are currently offering the full Lifeguard course as well as the Lifeguard Review course for those who need to renew their current certification.

Successful course completion requires **100% participation** in classroom and skill sessions, as well as successful performance in skill and knowledge evaluations. **There are no substitutions of make-ups, if you miss any part of the class you must re-register and pay to attend another class.**

Due to the nature of the skills in this course, you will be participating in strenuous activities, such as performing CPR on the floor and removing someone from the water. If you have a medical condition or disability or if you have any questions about your ability to participate fully in this course, discuss them with your physician or healthcare provider and with an American Red Cross Lifeguard Instructor **BEFORE** you start this course.

Class Sizes

There must be a minimum of (5) participants to hold a class. If there are less than 5, you will be contacted to either switch to another class or receive a refund.

Upon completion of our lifeguarding courses you will receive

- Lifeguard, CPR, AED and First Aid certification (valid for 2 years)
- You will be given the American Red Cross Lifeguarding Manual to borrow for the period of the class.
- You will be given a pocket mask to borrow for the class. If you would like to purchase one you may for an additional \$10

Refund Policy

Once you have paid for the Lifeguard class you have reserved your spot in the class. When the first day of class has begun there will be **NO REFUNDS** for any reason. If the first day of class has not begun you may move your registration to another Lifeguarding class offered by Chicagoland Pool Management in the same year. We ask that if changing classes, you give a minimum of one week notice. If one week notice is not given there may be an additional fee of up to \$50.00 charged for moving classes. If you do not pass the class, there will be **NO REFUNDS** for any reason. Instructors will speak with you about opportunities to attend another class.
